Department of Energy

- (3) A description of the purpose for which the UCNI is needed; and,
- (4) Certification by the requester that he or she:
- (i) Understands and will follow these regulations; and
- (ii) Understands that he or she is subject to the civil and criminal penalties under Subpart F of this part.
- (b) The decision whether to grant the request for limited access is based on the following criteria:
- (1) The sensitivity of the UCNI for which limited access is being requested;
- (2) The approving official's evaluation of the likelihood that the requester will disseminate the UCNI to unauthorized individuals; and,
- (3) The approving official's evaluation of the likelihood that the requester will use the UCNI for illegal purposes.
- (c) Within 30 days of receipt of the request for limited access, the appropriate DOE Program Secretarial Officer or NNSA Deputy or Associate Administrator must notify the requester if limited access is granted or denied, or if the determination cannot be made within 30 days, of the date when the determination will be made.
- (d) A person granted limited access to specific UCNI is not an Authorized Individual and may not further disseminate the UCNI to anyone.

Subpart E—Physical Protection Requirements

§ 1017.22 Notification of protection requirements.

- (a) An Authorized Individual who grants routine access to specific UCNI under §1017.20 to a person who is not an employee or contractor of the DOE must notify the person receiving the UCNI of protection requirements described in this subpart and any limitations on further dissemination.
- (b) A DOE Program Secretarial Officer or NNSA Deputy or Associate Administrator who grants limited access to specific UCNI under §1017.21 must notify the person receiving the UCNI of protection requirements described in this subpart and any limitations on further dissemination.

§1017.23 Protection in use.

An Authorized Individual or a person granted limited access to UCNI under §1017.21 must maintain physical control over any document or material marked as containing UCNI that is in use to prevent unauthorized access to it.

§ 1017.24 Storage.

A document or material marked as containing UCNI must be stored to preclude unauthorized disclosure. When not in use, documents or material containing UCNI must be stored in locked receptacles (e.g., file cabinet, desk drawer), or if in secured areas or facilities, in a manner that would prevent inadvertent access by an unauthorized individual.

§ 1017.25 Reproduction.

A document marked as containing UCNI may be reproduced without the permission of the originator to the minimum extent necessary consistent with the need to carry out official duties, provided the reproduced document is marked and protected in the same manner as the original document.

§ 1017.26 Destruction.

A document marked as containing UCNI must be destroyed, at a minimum, by using a cross-cut shredder that produces particles no larger than 1/4-inch wide and 2 inches long. Other comparable destruction methods may be used. Material containing or revealing UCNI must be destroyed according to agency directives.

§ 1017.27 Transmission.

- (a) Physically transmitting UCNI documents or material. (1) A document or material marked as containing UCNI may be transmitted by:
- (i) U.S. First Class, Express, Certified, or Registered mail;
- (ii) Any means approved for transmission of classified documents or material:
- (iii) An Authorized Individual or person granted limited access under §1017.21 as long as physical control of the package is maintained; or,
- (iv) Internal mail services.
